Happy March!

We are **Lucky** to have you here at Prairie Lodge!

This year is MARCHing right along! As the temperature warms up and the sun begins to shine make sure you take a moment to step outside to enjoy the beautiful weather when you can!

Your quality of life is important to us and because of this we strive to accommodate you as much as possible. When we are able to meet your needs that is a win for us and being able to support you in any way is truly a great feeling, especially when it puts a smile on your face. If you ever have questions or suggestions, please let us know! The best way to do this is by attending your individual house monthly resident's meeting held on the first Wednesday of every month. We always look forward to seeing you there, so please make time to attend so that you can share concerns, opinions and/or gratitude.

We hope to make this March a happy and lucky one!

~Life Enrichment

February was a month of love, whether with Valentine's Day groups, showing love to our caregivers for National Caregivers Day, or eating some vegetable soup homemade with love! We look forward to more creative fun in March and the months to come!
